

BENDER ENGINEERING + COMMISSIONING, inc.

JEFFREY C. BENDER
PRESIDENT

BACKGROUND

Jeff Bender formed Bender Engineering Commissioning, Inc. (BECx) in 2005 to provide locally owned engineering and commissioning related services for the Reno/Tahoe area. Mr. Bender has a wide range of experience in the fields of energy management and efficiency, mechanical engineering, commissioning and retro-commissioning, green building and solar technologies. Mr. Bender is a licensed Professional Mechanical Engineer in the States of Nevada and California, and has numerous certifications including: Certified Greenpoint Rater, LEED™ Accredited Professional, LEED™ for Homes local representative, C-HERS and RESNET Rater (Energy Star and California Title 24, blower door and duct leakage tests) and a Qualified Commissioning Provider (QCxP).

In addition, Mr. Bender serves as an elected Director for the Truckee Donner Public Utility District in Truckee, California. Mr. Bender has also served as the Chair of the Town of Truckee Planning Commission, Chair of the Truckee Green Building Committee and was a founding member of the Sierra Green Building Association (SiGBA).
