

BENDER ENGINEERING + COMMISSIONING, inc.

J. SCOTT DAVIS
DRAFTER/DESIGNER

BACKGROUND

Scott Davis brings over thirteen (13) years experience to Bender Engineering + Commissioning, Inc. (BECx). Mr. Davis started his career in Chico, California in graphic design and construction. The construction industry intrigued Davis, so he took his career to Denver, Colorado where he began drafting and designing mechanical systems through construction documentation. Scott not only worked with mechanical firms, he has managed CAD departments, performed architectural drafting and IT support. With the integration of 3-D CAD, Mr. Davis took the opportunity to learn 3-D drafting with Architectural Desktop, MEP and is starting the transition to AutoDesk Revit Suite. Coupled with extensive CAD experience, Mr. Davis brings mechanical design and building energy modeling experience to the table.

SELECT PROJECT EXPERIENCE

- Tahoe Lakeview – South Lake Tahoe, California
- Maroon Ranch – 30,000 sq. ft custom home Aspen, Colorado
- USFS – Truckee, California
- Ritz Carlton at Northstar – Truckee, California
- Sierra College – Truckee, California
- Shaffer's Camp – Truckee, California

PROFESSIONAL REGISTRATIONS, CERTIFICATIONS, EXPERTISE

- LEED™ Accredited Professional
- AutoCAD lisp routines
- Maximizing AutoCAD
- AutoDesk Go Further Tour

EDUCATION

- Associate of Applied Science Degree, Architectural Drafting, Denver Institute of Technology, Denver, Colorado
- Graphic Design coursework (over 60 semester hours) Butte College, Oroville, California

10037 East River Street
Truckee, CA 96161
